REFUND AND CANCELLATION POLICY

With the purchase of a live seminar, you commit to attend the entire seminar. If you are unable to attend the seminar due to unforeseen circumstances, a credit will be applied to your account for future seminars or products.

There will be no refunds for a live seminar purchase. Our policy is upon registering for a Total Body Modification, Inc. seminar or retreat, you commit to arriving on time and staying through the end. Those that do not fully attend the event will not receive a certificate of completion, will not have the seminar/retreat listed on their Provider Listing, and will not receive Attendance Verification for Continuing Education. Any exceptions must be approved prior to registration.

We offer no-hassle refunds on the purchase of any item when the below guidelines are followed:

Returns on merchandise must be made **WITHIN 30 DAYS** – You must fill out the returns form at liveTBM.com to begin the return/refund process. Additionally, email orders@liveTBM.com before sending any merchandise back to us. This will help us alert you to any special handling concerns as well as notify us to expect your return shipment.

Original tags and packaging must be intact. We cannot accept returns on items if the tags have been removed. Products must be in the original condition and be free from tears, stains, and odors. **DIGITAL ITEMS ARE NON-RETURNABLE.**

We do not accept returns on damaged/mistreated products due to improper return packaging. If your item was shipped in a box, please place it back in a box for returns. If the item arrives to TBM crushed, bent, or destroyed, you may not receive a refund. We want to give you **FULL** credit for the item you are returning. However, for quality control purposes, any returned items will be inspected carefully before a credit is issued. This ensures that all customers receive clean, unused, products with every order placed. Please take care in packaging return items to ensure safe delivery of your product.

Our Vial Sets are handmade and assembled. Please inspect your vial sets to verify their contents. To qualify for free replacement, you must notify TBM within 30 days if a vial is missing or broken.

Any item that does not meet the above guidelines will be returned to you at your expense. Please **DO NOT** send back items that are damaged or that you have had for over 30 days. If one of our products fails due to workmanship or materials, we will replace it at no charge. TBM will make the sole determination as to the cause of the product failure. *Returned items that do not meet our guidelines will be sent back to you at your expense.*

USING THIS ORDER FORM

Starter Kits and Complete Collections offer a 10% savings compared to the cost of purchasing each item individually. Purchase of a Starter Kit or Complete Collection also qualifies the recipient for a 5% discount off all Recommended Items in the same Section.

Register for upcoming seminars and save \$50 (Standard) and/or \$25 (Reduced) off the published registration fee(s).

Save up to 20% off the standard registration fee(s) by purchasing a Seminar Bundle. Depending on the Bundle purchased, your savings may exceed the price of an individual seminar!

Occasionally, pricing errors may appear on this order form. Please refer to our website for the most accurate and updated pricing. Prices listed are in USD. *A shipping charge will be added for all items NOT on hand at the seminar.

REDUCED RATE QUALIFICATIONS

Supporting documentation demonstrating you qualify for our reduced rate must be presented or you will be required to pay the tuition difference prior to being allowed to attend the seminar for which you selected the reduced rate. Below you will find the criteria required to qualify for our reduced rate.

Refresher // Must verify that you have completed the identical seminar previously

Student // Must provide proof of enrolment as a full-time student at a health care degree granting institution

Faculty // Must provide proof of employment as a full-time student at a health care degree granting institution

1st Year Graduate // Must provide a diploma, issued within 12 months of the seminar date, signifying graduation from an accredited health care degree granting institution
