

TBM ALIVE! 2026: "Stronger Together!"

TBM'S ANNUAL HOMECOMING, PERSONAL HEALING,
HANDS-ON TRAINING, & RESEARCH EVENT

30 September - 3 October 2026

Las Vegas, Nevada, USA

A TRADITION OF STRENGTH

Our theme for *Alive! 2026* is "**Stronger Together!**" Total Body Modification has been a team effort from the very beginning. Beginning with the partnership of Drs. Victor Frank and Harold Havlic, others like Ed Wagner, Wayne Hirsbrunner, Robin Hyman, Bob Warrick, Jacqueline Paltis, Brian Bateman, Randy Robirds, and many, many others took the foundation given them by Dr. Frank, built upon it and then returned to shared their innovations and insights with the TBM community at prior TBM Alive!'s going back to 1986.

...OF RENEWAL

This being said, like coals in a fire, it is crucial that we draw together to **rekindle one another's passions, lift each other's burdens, and collectively illuminate the path ahead.** This is the principle reason that Alive! exists as an event. This is why we have gathered from around the world, as a TBM family, 30 times starting in 1986.

...OF SHARING

These past few years have required all of us to innovate in ways that we didn't have to before. You will both have an opportunity to **share your insights** as well as **learn those gleaned by others.** TBM has always been a collective effort and with countless individuals around the world who have not returned to their pre-COVID state **we need a quiver full of up-to-date solutions** to offer them. I'm confident that we will be in awe at the creativity of our fellow TBM family members.

...OF HEALING

Some of you may be those who have not returned to your pre-COVID state of well-being or have other health burdens you are carrying. By attending **you will have the opportunity every day to receive healing work** from your fellow attendees.

...OF WELCOMING

Everyone, regardless of their level of proficiency in TBM, **is welcome to attend.** This includes romantic partners, spouses, office assistants, and the like.

Don't miss this exciting, transformative, and empowering event. **Register today** for *Alive! 2026*.

Register by Thursday 6 August to receive a \$75 early-bird discount.
